

## Rules

**foreword:** After the successful integration of the LFS players to **Team ALTERNATE** we are very proud to present our first own event.

### Dates:

- The race will start at 12:00 CEST on September 11th
- The qualification will start at 20:00 CEST on September 10th

### 1. Registration:

- Please send a mail with your driver names (incl. LFS World names), your car, your favorite number and your homecountry to [24h@team-alternate.de](mailto:24h@team-alternate.de).
- The starting grid will be selected by the race control.
- The maximum of teams will be restricted to 30.

### 2. Classes:

- Allowed classes: **GT2** (FXR / XRR / FZR) **NGT** (UFR / XFR)
- For **GT2-Class** we have the following restrictions : FZR 20%, FXR 23%, XRR 25%
- For both classes **autoclutch** is forced!

### 3. Number assignment:

- The number assignment will be consecutive to the date of registration, if there is no other wish in your registration mail. (GT2 1-99 / NGT 100-199 )

### 4. Skins:

- Every team has to upload a unique skin.
- The use of the given templates is not for fun. They have to be used.
- The final skin should be sended to [24h@team-alternate.de](mailto:24h@team-alternate.de) till September 5th for checking.

## 5. Drivers:

- Every driver is allowed to drive in only one team.
- On the server you have to use your real name and your team number.

### Example:

## 6. The race:

general:

- lowest number of drivers for a team: **2 Drivers** ; maximum: **5 Drivers**
- **No** Driver is allowed to do more than 55% of the race distance!
- Reset is off.
- No Chat in qualification, or race.!
- If your car is not able to drive anymore, you have to leave the track with Shift-P.
- At Driver change it is important not to have 2 Drivers on the server for more than 2 laps.
- Blue flag is important and should not be ignored!  
(If you ignore it, there will be a DT penalty!!)

### Qualification:

The qualification is sorted in classes. The **GT2-Class** starts at 20:00 CEST on September 10th and runs one hour. The **NGT-Class** starts at 21:10 CET. Only one driver is allowed to qualify for his team.

### Race:

The race starts at 12:00 CEST (10:00 UTC) on September 11th. The drivers of the first stint should join the Teamspeak 3 Server, to the "Welcome-Channel". The required data you'll receive per mail. After a last check and answering of the last questions, the race starts.

## 7. Protests:

- Protests are only accepted as a mail to [24h@team-alternate.de](mailto:24h@team-alternate.de). We need a few description of the Situation (incl. team names, numbers and driver names) and a detailed time, when it happened. Please note in the subject, that the mail is a protest.

## 8. Penalties:

- Penalties will be pronounced while, or after the race.
- For disconnect, or Shift+P there will be a lap removed from your result. (If you have real troubles with the connection we could change your penalty, that your race isn't over after that.)
- after the first punishment you have to behave more sportsmanlike, or a kick ban will be the result.
- You have to stay in the yellow lines. If not a DT-Penalty will come to you.

## 9. Server-Crash:

- If our server crashes, you have to do following things.
  1. Keep cool!
  2. Join the "Welcome Channel" on TS3.
  3. Wait for a decision of race control.

## 10. Prizes:

- For this Event our Sponsor **ENERMAX** provided the great prizes for this event.
- The first place in GT2 gets 2 **ENERMAX Modu87+ 600W Power Supply** and 1 **ENERMAX PhoenixNeo Case**.
