Re: Reset online statsLink

That would be great. Please go ahead. Thanks for the response.

Hello,

We can reset your user stats if that is definitely what you want. It will mean that everything is reset to zero, and we can't get any of the old stats back again.

If you confirm you want us to do that please let me know.

Thanks

Subject: Reset online stats

(sender username: farcar)

Hello,

I would like to have my online racer stats reset, so I can start with a clean slate. Can this be done?

Thanks!
