April 2011

In this news letter...

- News about our new newsletter system
- Saying hello to our new members
- And more...

## New Newsletter System

We now have a monthly newsletter system where we tell you about new things or things that are changing at Ident-Racing.

This is the first of many that will be emailed to every member and released on the forum and the LFS forum.

## Saying hello to our new members

I would like to say hello to our new members, Dunkadfisk, abel, nathan246, Easydog and sopa

We hope you have an excellent time at Ident-Racing.

## Our applications for the new Touring Car Cup are open

When we did the FOX Championship I got a bit lost in all the applications that's why we now use Google Doc's. Please post an application for the championship as I think it will be quite a good one.
