  2. Application
    1. Teams who do not have a competition number may include a preferred competition number, and up to five (5) alternative numbers, on their Entry Form.
    2. In the event of none of the numbers nominated being available, Supercar 500 Challenge will so advise the applicant and allocate a new number to the Team.
  3. Conflict
    1. Where two (2) or more Teams make application for the same unallocated number, on the same date, Supercar 500 Challenge will generally allocate the competition number to the more senior of the contending Teams.
  4. Reservation
    1. Competition number "1" is always reserved for the previous winner of Supercar 500 Challenge who has sole rights to that number for the duration of that Meeting.
    2. In the event that the previous winner of Supercar 500 Challenge elects not to take competition number "1", that number will not be allocated until the next winner elects to take up that number.
