RULES

TEAMS

Each driver is considered a team.. driver substitutions are fine no restrictions.
Substitute drivers must use nickname of person they are subbing for during race..

(NO SUBSTITUTIONS IN FINAL RACE)

CHAT

No chat during race. Use common sense WE ARE Watching every lap

LEAGUE QUALIFYING

In order to insure quality noob free racing,, We will have one day all day acceptance qualifying sessions for those racers who's skills are unknown to AW admins....This acceptance qualifying will be held on Thursday 10/1/09 all day... For those racers who are well known , this will not be required.....From signups we will inform you, if you are required to qualify to enter league.....We will be looking at 1. Speed 2. Racing in traffic 3. Racing clean 4. Passing 5. Overall skill

STARTS

All starts and restarts will be single file, yes single fileSo make your qaul laps count

LEAGUE SIGNUPS

Racers can sign up at our website. Please include 1.Nickname 2.username 3.email

Asphalt-warriors.webs.com

PRACTICE SESSIONS

AW Fox server will be set too that weeks scheduled track all day for practice on thursdays

RACE ADMIN SIGN UPS

See KILLFIX my e mail and msn messenger are same (cwi7161@yahoo.com) or when you sign up for league please make note that you want to admin a race

BONUS POINTS

Anyone who helps admin a complete race will receive 8 pts...

POINTS STANDING

Points standings will be posted on Saturdays after each weeks race on AW website

PRACTICE SESSION

Practice will be open at 8pm before every race

QUALIFYING

Qualifying on all tracks will be held on race day each week just before race.....All tracks will have a 30 minute sessions Qualifying will start at 8:30pm before each race....

START TIME

All races will start at 9pm pst. West coast us. Time so check your local time zone.....

CAUTIONS

On oval races , cautions will be called on ALL SPINS AND CRASHES WHERE OTHERS MAY BE AFFECTED.....Pace car speed will be 50mph.....Pass pace car and you will be sent to back of line....All race commands will appear at top left of screen....Caution ,, pit closed,,, pit open,,, green flag etc.

PITSTOPS

There will be 1 mandatory pitstop required

WEEKLY PASSWORD

There will be a weekly password each week on race day Password will be (foxfriday1)For race one and (foxfriday2) for second race and so on There will be no joining server or race after start of race...

INCIDENTS

Any incident not covered in the above rules will be handled by race admins.. admin will make all final decisions

PRE RACE DRIVER INSTRUCTIONS

IN RACE COMMANDS

(THESE COMMANDS WILL BE SHOWN ON CENTER OF YOUR SCREEN DURING RACE)

GREEN FLAG = go go go

CAUTION YELLOW FLAG =

***Slow to 50mph**

***Run along bottom of track to allow lucky dog to pass high**

***Do not pass car in front of you**

***(SINGLE FILE DURING CAUTION)**

PIT LANE CLOSED =

***Pits will remain closed until entire field pass pit entrance**

PIT LANE OPEN = Pits open to all

RED FLAG = When you see red flag slow to 50 mph and wait for instructions top left, in chat.

RED FLAG = When you see RED FLAG look to top left, chat to

See who has been red flagged

PENALTIES = All penalties will be issued by ADMIN #1

You will be spectated if you argue penalty during race...After race you may argue penalty, to all RACE admins..if it is determined that penalty was unjust, you will be awarded points for position you held at time of penalty.

CAUTIONS

1. During cautions ,, speed is 50 mph
2. stay single file
3. do not pass car in front of you
4. Stay on **BOTTOM** of track so lucky dog can pass high
5. During cautions Pit lane will open after field passes pit lane

CLEAN RACING

1. Show consideration too all other racers, or you will be spectated...
You will be warned for first offense....you will be spectated for 2nd offense.
2. Aggressive driving,, 1st offense ,warning...2nd offense spectate
