PRE RACE DRIVER INSTRUCTIONS

IN RACE COMMANDS

(THESE COMMANDS WILL BE SHOWN ON CENTER OF YOUR SCREEN DURING RACE)

GREEN FLAG = go go go

CAUTION YELLOW FLAG =

*Slow to 75mph oval

*Slow to 45 mph road course (SPEED WILL VARY DEPENDING ON TRACK)

*(speed will vary depending on track)

*Do not pass car in front of you

*(SINGLE FILE DURING CAUTION)

***(WE WILL ASK RACERS TO FORM UP ON ALL STARTS IN A STAGGERED FORMATION AT LEAST ONE CAR LENGTH BEHIND CAR IN FRONT OF YOU)**

PIT LANE CLOSED =

*Pits will remain closed until entire field pass pit entrance

PIT LANE OPEN = Pits open to all

RED FLAG = When you see red flag slow to 45 mph and wait for instructions top left, in chat, and or ventrillo.

BLACK FLAG = When you see BLACK FLAG look to top left chat, and or ventrillo to See who has been black flagged

PENALTIES = All penalties will be issued by ADMIN

You will be spectated if you argue penalty during race...After race you may argue penalty to all RACE admins..if it is determined that penalty was unjust, you will be awarded points for position you held at time of penalty.

VENTRILO

(ventrilo is used in all AW events for admin purposes only)

1. Admins will regulate race in ventrilo
2. Racers are NOT allowed to use ventrilo to chat during green flag racing
3. All in race commands will be given on screen in all situations
4. Admins will confirm all race commands via ventrilo
5. Commands given on screen superceed ventrilo commands
6. When we say MIC closed (DO NOT TALK ON VENTRILO)
7. Again ventrilo is used for admin purposes only...
8. Racers that want to chat on ventrilo must open there own phantom channel
9. If you do not use ventrilo during race it is your responsibility to be aware of AW event rules, as we will hold you accountable for knowing all rules
10. ALL PRE RACE DRIVER INSTRUCTIONS WILL BE GIVIN VIA VENTRILO
11. (UNLESS YOU SEE CAUTION YELLOW FLAG IN MIDDLE OF SCREEN,, THERE IS NO CAUTION)
12. It is a good idea to install ventrilo just so you can hear instructions
13. Being in ventrilo for all AW events is mandatory

CAUTIONS

1. During cautions ,, speed is 75mph oval, 45mph road course
2. stay single file
3. do not pass car in front of you
4. During cautions Pit lane will open after field passes pit lane \
5. (IF YOU CRASH OR SPIN, OR DAMAGE ANY CAR DURING CAUTION YOU WILL BE SPECTATED.... SO BE CAREFUL)

CLEAN RACING
